

Har ek ranj mein rahat hai aadami ke liye
Payaame maut bhi mujdaah zindagi ke liye
Har ek ranj mein

Chaman mein phool bhi har ek ko nahi milatey
Chaman mein phool bhi har ek ko nahi milatey

Bahaar aate hai lekin kisi kisi ke liye
Bahaar aate hai lekin kisi kisi ke liye
Har ek ranj mein

Hamaari khaaq ko daaman se jhaad ne wale
Hamaari khaaq ko daaman se jhaad ne wale
Sab is maqaam se guzarenge zindagi ke liye
Sab is maqaam se guzarenge zindagi ke liye
Har ek ranj mein

Unhi ke seesha e dil choor-choor hoke rahe
Unhi ke seesha e dil choor-choor hoke rahe
Taras rahe they jo duniya mein dosti ke liye
Taras rahe they jo duniya mein dosti ke liye
Har ek ranj mein

Yeh sochta hoon zamane ko kya hua ya rab
Yeh sochta hoon zamane ko kya hua ya rab
Kisi ke dil mein mohabbat nahi kisi ke liya
Kisi ke dil mein mohabbat nahi kisi ke liya
Har ek ranj mein

Hamaare baad andhera rahega mehfil mein
Hamaare baad andhera rahega mehfil mein
Bahot charaag jalaoge roshani ke liye
Bahot charaag jalaoge roshani ke liye
Har ek ranj mein rahat hai aadami ke liye
Payaame maut bhi mujdaah zindagi ke liye
Har ek ranj mein rahat hai aadami ke liye.
