

Har jagah mein tu samaya hai
Har disha mein tu numaya hai
Har jagah mein tu samaya hai
Har disha mein tu numaya hai
Subah mein shaam mein
Tera jirr hai tera saaya hai
Mera haath jo tu thaam le
Phir jahaan ka karana hai kya
Tu hi tu har jagah tu hi tu jine ki wajah
Tu hi tu har jagah tu hi tu jine ki wajah

Meri subah mein meri shaam mein
Tera jirr hai, tera saaya hai
Mera haath jo tu thaam le

Phir jahaan ka karana hai kya
Tu hi tu har jagah tu hi tu jine ki wajah
Tu hi tu har jagah tu hi tu jine ki wajah

Tu roshani koi chaandani
Tu hi ped hai tu hi chhaanv bhi
Tu hi raasta tu hi hai safar
Jaha pahunchana hai woh gaanv bhi
Mera haath jo tu thaam le
Phir jahaan ka karana hai kya
Tu hi tu har jagah tu hi tu jine ki wajah
Tu hi tu har jagah tu hi tu jine ki wajah

Yaar tera saath jis pal pa liya jisane
Usako toh phulon ki tarah raahon ka dhar mile
Subah mein shaam mein
Tera jirr hai tera saaya hai
Mera haath jo tu thaam le
Phir jahaan ka karana hai kya
Har jagah mein tu samaya hai
Har disha mein tu numaya hai
Main tere nashe mein hoon chur sa
Teri justajoo mein hai jindagi
Mera haath jo tu thaam le
Phir jahaan ka karana hai kya

Tu hi tu har jagah tu hi tu jine ki wajah
Tu hi tu har jagah tu hi tu jine ki wajah.
