

Har shama bujhanewali hain
Yeh raat bhi jaani wali hain
Ab to aaja meri dilruba
Teri yaadon ke male mein

Taaron ke is jhamele mein
Tanha meri dilruba

Tujhko baahon mein main utha lunga
Tujhko sine se main laga lunga
Hain wafa kya yeh dikha dunga
Dil to hain kya jaa luta dunga
Ab to aaaja meri dil ruba
Har shama bujhanewali hai
Yeh raat bhi jaani wali hain
Ab to aaja meri dilruba

Tu jo aayegi raat jagegi
Muskuraenge geet gaaenge
Tu jo ruthegi main manaunga
Main jo ruthunga tu manaegi
Ab to aaaja meri dil ruba
Teri yaadon ke male mein
Taaron ke is jhamele mein
Tanha meri dilruba

Tere aate hi chandni hogi
Roshni hogi har khushi hogi
Aake pehlu mein mere baithegi
Meri saanso mehka degi
Ab to aaaja meri dil ruba
Har shama bujhanewali hai
Yeh raat bhi jaani wali hain
Ab to aaja meri dilruba
Teri yaadon ke male mein
Taaron ke is jhamele mein
Tanha meri dilruba.
