

Har subah yad rakhna
Har sham yad rakhna
Mera nam hai mohabbat
Mera nam yad rakhna

Chahe ho yeh jamin
Chahe ho yeh aasman
Koyi fasla naa hoga
Abb hamare darmiya
Yeh rango kaa mausam hai
Yeh khushbu ki angdayi
Ik duje me kho jaye
Kahati hai yeh tanhayi
Iss jagah ko iss
Fija ko naa bhulana
Meri chahato kaa
Janam inam yad rakhna
Mera nam hai mohabbat

Roshan hai meri duniya
Teri panaho me
Mujhe sari umrr
Rakhna apni nigaho me
Sadiyo ki duwa ke badale
Mahbub hasin milata hai
Julfo ki ghani chhanv me
Dilkash lamha dhalata hai
Tumse milake maine
Samajha maine jana
Najaro ki bekhudi kaa
Yeh salam yad rakhna
Mera nam hai mohabbat

Badla badla sa mere
Dil kaa aalam lagta hai
Mai jitna tumhe chahu
Utna hi kam lagta hai
Koyi aur nahi janeman
Mere dil me tum rehte ho
Bas tumse pyar karu

lyrics

Mai pal pal mujhse kehte ho
Bin tumhare kuchh
Nahi mai maine mana
Hontho se jo likha
Woh paigam yad rakhna
