

Haram Haram Lyrics

Munda hega underdog every location
Munda outcast kende saada reputation
Main keha "badi critical" hegi situation
Kehndi you the hottest in every nation

Saanu eh billo badi bomb lagdi
Jiven nachdi mainu tang kardi
Saamne khadi billo agg lagdi
Kol te aa mainu thand lagdi

She is haram haram
She is haram haram
She is haram haram
She is haram haram
She is haram haram
Haram haram
She is haram haram

I'm the next man i'm the best man
Raata sonda main nahin i'm a batman
Main tera aladdin tu meri jasmine
Karda main like the way you dancing

Kudi hegi lean pehni jeans baggy
Belly piercing outfit heavy
Colombian maal par hegi desi
Asian queen billo purri baddie

Saanu eh billo badi bomb lagdi
Jiven nachdi mainu tang kardi
Saamne khadi billo agg lagdi
Kol te aa mainu thand lagdi

Ey alexa mainu das ja
"puri duniya de vich who the best aa?"
Main keha ey siri aye habibi ve das
"high profile hegi kiddi khaas?"
