---

Eah vaanam ellaam kaadhal grafitte|  
Ilukkuthuadee undhan heartily ulla gravity  
Parandhidavaa naan vaan meale?  
Vilundhidavaa un nenjulle?

Kutti kutti kannu rendum portal aa  
Illai rendum en bodhai bottle aa  
Avai vali unil vilundhen total aa  
Harla farla

Ra tta ta tta tatta heartin rattle aa  
Gubu gubuvana theeyin moottalaa  
Illai illai idhu kaadhal battle aa  
Harla farla

Baby girl when you look into my eyes  
I can feel my heart is skippin a beat  
Oh you got the move so sweet  
You don't know what you're doing to me

Ha hello mister military  
Un midikku nadai ellam ennaachu  
Aha kakki sattai kaadhali  
Adhi kasakki nasukkidhaan pottaachu

Yaakkai naattin sondhame  
Endhan nenjam undhan sondhamadee  
Paadhai engum mutkalaai  
Undhan nenjam endhan manjamadee

Undhan muthukodu muthukaagavaa  
Kannil mugam paarthu alakaagavaa  
Kalagamo tholin pinnaale  
Ulagame endhan munnaale

Oru kanam oru kaaval kaariyaai  
Maru kanam oru kaadhal kariyaayi  
Enai mayakkidum vedathaariyaai  
Harla farla

Pagal muluvadhum yudha therila  
Nilaviravinil mutha thoorala

Harla farla

Baby girl when you look into my eyes  
I can feel my heart is skippin a beat  
Oh you got the move so sweet  
You don't know what you're doing to me

Baby girl unna paathathum  
Naan mayangi kiranghidhaan ponene  
Enna vittu nee vilaginaal naan  
Heart-u udanchidhaan povene.
