---

Aaja ni aaja tenu hasna sikhaa dayie  
Teri khoobsurti nu chaar chann laa dayie  
Thoda bahut khulle baki sade utte chadd de tu  
Keemti jo phull tere pairan ch visha dayie

Aaja ni aaja tenu hasna sikhaa dayie  
Teri khoobsurti nu chaar chann laa dayie

Aaja ni aaja tenu aaja ni aaja tenu

Sohni tu sab ton ae jaande aa changi tarah  
Hoye aa fidaa tenu mile asi jinni waran  
Mukk jande ajkal akhar ne shayaran de  
Mukkdi na teri main tareef ds jinni karaan

Mulakaat karo thoda ishq sikhaa dayie

Ho takri tu jadon di ae chadd ge aa vail ni  
Sangdi tu kardi na sanu pata pehal ni  
Chup chup rehke bol jandiyan ne nazran  
Haale ki ae dil tenu haale kithe khabran
