

Hasil maza hai teri mulakat ka mujhe  
Hasil maza hai teri mulakat ka mujhe  
Hasil maza hai teri mulakat ka mujhe  
Sadiyo se intezar tha is raat ka mujhe

Hasil maza hai teri mulakat ka mujhe  
Hasil maza hai teri mulakat ka mujhe  
Sadiyo se intezar tha is raat ka mujhe  
Sadiyo se intezar tha is raat ka mujhe

Bechainio ko jhumte dil mai samait kar  
Aai ho chandni mai badan ko lapet kar  
Aakash se utarke jab aati hai aisi raat  
Takdir aashiko ki jagati hai aisi raat  
Ye raat arju hai khushi hai umang hai  
Is ek raat main kai rato ka rang hai  
Is ek raat main kai rato ka rang hai  
Itna khayal hai tere jajbat ka mujhe  
Sadiyo se intezar tha is raat ka mujhe

Tu hai mujhe pasand main tujhko pasand hoon  
Moti hoon main magr teri muthi main band hoon  
Aye janeja tera maire hatho main hath hai  
Utri huwi dilo main khushi ki baarat hai  
Eye mairi chand teri kiran ban gayi hu main  
Lagta hai aaj raat dulhan ban gai hoon main

Sadiyo se intezar tha is raat ka mujhe
