Mera sanwla jeha rang vekh ke

Dekhi hath na shdaali mithiye
Hath gabhru da tang dekh ke
Dekhi hath na shdaali mithiye
Hath gabhru da tang dekh ke

Shubh shubh bol sohneya
Ve gallan kare kyun jawaaka waliyan
Pyar sikhra to digg na pawe
Main kattaan fikraan ch rataan kaaliya

Saara kuch taan gwaayi baithi aa
Ve bss tainu laban layi

Haye ve aivein kaahto boli jane tu
Main hath fadya ni shadan layi
Haye ve aivein kaahto boli jane tu
Main hath fadya ni shadan layi

Kyi uchya ghraa de hone marde tere te
Hogi ohna cho kise di munda marju
Tu ta meri fer kade puchni na saar
Par mera kithe tere bina sarju

Ni unjh ta lokka de kude jittne main dil
Baazi pyar vaali tere muhre harju
Ik ta greebi dooja tera ni vishoda
Sachi sauhn teri haddan vich vad ju

Naam sabba sabba dunia te shaauga
Pehlaa chhad jayi na nang vekh ke

Dekhi hath na shadali mitthiye
Hath gabhru da tang dekh ke
Dekhi hath na shadali mitthiye
Hath gabhru da tang dekh ke

Haye vaada je kitta ta fir poora vi krugi
Main ni oho jo gallan naa den saar ve
Hayeik ta draundi mainu baapu ji di pagg
Dooja tere naal paake beh gyi pyar ve

Haan manne na je mann lawi rabb da tu bhaana
Zor laau unj ghrde manaun te
Ve milna milauna bhaave band hoje sada
Kive laalu koi pabandi tainu chaun te

Vyah ke leji ve mrar kala waaleya
Dil mannda ni bhajjan layi

Haye ve aivein kaahto boli jane tu
Main hath fadya ni shadan layi
Haye ve aivein kaahto boli jane tu
Main hath fadya ni shadan layi

Vekh kise da chubara kite ohdi hi na hoji
Firaa tera layi main taaj banwaun nu
Tu pata mainu suitan di shokeen mitthiye ni
Fira tere layi butique khulwaun nu

Ve tu hi aa jroori mainu taaj ni jroori
Jithe rakhega tu mainu othe hi rehlugi
Sukhaan vich bhaave mainu kari na shamil
Dukh hass hass tere naal sehlugi

Esse hausle ch fire jatt uddeyaa
Haye ni tainu rajamanda vekhke

Dekhi hath na shdali mitthiye
Hath gabhru da tang dekh ke
Dekhi hath na shdali mitthiye
Hath gabhru da tang dekh ke.
