

Hawa mein udata yaaye...oh ho o.o.
Dil pe waar chalaye...oh ho o.o.

Only wish i ever wished
Is if that i could make her mine
Oh that would be so fine
All i do is just think of her
She is always on my mind

Only wish i ever wished
Is if that i could make her mine
Oh that would be so fine
All i do is just think of her
She is always on my mind
Somebody go and tell her
She wont find any better lover
Every beat of my heart
Will rock her ohye ohye

Hawa mein udati jaaye
My beautiful my sexy baby
She has got the looks
That drive me crazy ohye ohye
Dil mein utarti jaaye
She is one great god's creation
She is my one mind
Destination ohye ohye

Here she is standing next to me
But i am stranger to her eyes
I'm a just another guy

Stay back baby never leave
Don't ever say goodbye,
Please stay here or i will die.
Don't care how much u shout
You are a rock that never roll
Cause i ain't given up
You better know ohye

Hawa mein udati jaaye

My beautiful my sexy baby
She has got the looks
That drive me crazy ohye ohye
Dil mein utarti jaaye
She is one great god's creation

Destination ohye ohye

Hawa mein udata jaaye
Tera lal dupatta mal mal ka
Tera lal dupatta
Mal mal ka...oh ho o.o.
Dil pe waar chalaye
Tera lal dupatta mal mal ka
Tera lal dupatta
Mal mal ka...oh ho o.o.

Hawa mein udati jaaye
