

Haay roothe saiya, haay roothe saiya hamaare saiya
Kyun roothe roothe saiya hamaare saiya kyon roothe
Naa to ham bewafaa naa to ham jhootha
Rootha saiya hamaare saiya kyon roothe

Chain na aaya hamen neend na aayi
Dete rahe saari rain duhaai
Chain na aaya hamen neend na aayi
Dete rahe saari rain duhaai
Koi unki bhi haay ram
Koi unki bhi yoon hi nindiya loote
Rootha saiya hamare saiya kyon roothe
Rootha saiya hamare saiya kyon roothe

Kaise na tadpe dil ye deewaana
Sach hi to kaheta hai saara zamaana
Kaise na tadpe dil ye deewaana
Sach hi to kaheta hai saara zamaana
Laagi chhoota na hai raam
Laagi chhoota na chhaahe duniya chhoota
Rootha saiya hamaare saiya kyon roothe
Rootha saiya hamaare saiya kyon roothe

Unko manaya har ek adaa se
Haay magar tauba unki balaa se
Unko manaya har ek adaa se
Haay magar tauba unki balaa se
Wo naa mane hai raam
