

Hayakki Baby Song Lyrics

Chelarege cheekatilo
Nanu kaalche vyadha
Theerche jatha neeve kadhaa
Marala marala thanuvu kore
Saradhaa...

Hop up in this club with some
Models models
Sittin vip poppin
Bottles bottles
We aint slowin down
We full throttle
We just do it big homle
We just so colossal
You just break it now
Baby girl you knbow to work it
Bounce it to the sides and i love the way you
Twerk it shake it nu
Break it exoyic like teriyaki
Spin it disc jockey
Im dancin with this hayakki

Hey hayaki hayaki pattu pattu pattu
Naa paiki paiki naanu chuttu muttu

Oh hayaki hayakki pattu pattu pattu
Naa paiki paiki naanu chuttu muttu

Naa pogarentho nuv pasigattu
Nee dheyyam vadhilisthaa
Ee paruvaanne o panipaatu
Naa dheham aruvisthaa

I love it the way you shake it around
Girl you make me psycho
Keep what you doin dont ever stop
Babe you make my mind blow
