

Kya humne socha tha kya ho gaya
Apna nasib kaha so gaya
Kya humne socha tha kya ho gaya
Apna nasib kaha so gaya
Are hiro ke chakar me sab kho gaya
Karte ye dhandha kya
Haye boot palish haye haye re
Boot palish
Kar bhalo boot palish
Aye kana boot palish
Jamana humko bhi
jane jara jo pachane
Hum hai dil wale
Aji hum hai matwale

Nange hai bhukhe hai kangal hai
Kahne ko dharti ke ye lal hai
Nange hai bhukhe hai kangal hai
Kahne ko dharti ke ye lal hai
Sadko pe firte hai behal hai
Dale huye fanda
Haye boot palish haye haye re
Boot palish
Kar bhalo boot palish
Aye kana boot palish
Jamana humko bhi
jane jara jo pachane
Hum hai dil wale
Aji hum hai matwale

Jivan hai chhota sa lambe kadam
Mazil bhi hum or musafir bhi hum
Jivan hai chhota sa lambe kadam
Mazil bhi hum or musafir bhi hum
Pite hai aansu or khate hai gham
Rahte hai yu jinda Haye
boot palish haye haye re
Boot palish
Kar bhalo boot palish
Aye kana boot palish
