

Kya soch rahi ho kuchh soch rahi hu
Tum kya soch rahe ho
Main kuchh soch raha hu
Soch raha hu ladka ho
Soch raha hu ladka ho
Main naam rakhunga sanju
Soch rahi hu ladki ho
Main naam rakhungi manju
Na ladka hoga dekho ji ladki hogi
Dekho ji ladka hi hoga na na ladki hogi
Soch rahi hu ladki ho
Main naam rakhungi manju
Soch raha hu ladka ho
Main naam rakhunga sanju
Na na ladki hogi ha ha ladka hoga
Na na ladki hogi ha ji ladka hi hoga

Jo ladki hoti hai bada wo roti hai
Jo ladki hoti hai bada wo roti hai
Na sone deti hai na woh khud soti hai
Main munnii ke sath jagungi
Tum chup se so jana
Roz akela soya to ho jaunga deewana
Pehle ladka hoga, pehle ladki hogi
Nahi ji ladka hoga, nahi ji ladki hogi

Jo ladke hote hai bade jab hote hai
Shararat se unki padosi rote hai
Jo ladke hote hai bade jab hote hai
Shararat se unki padosi rote hai
Main munne ka bap banuga
Tum munne ki maiya
Lekin kon pukarega munne ko mere bhaiya
Isiliye ladki hogi, nahi ji ladka hoga
Nahi ji ladki hogi, nahi ji ladka hi hoga

Na chhedo chhodo ji
Na baiya marodo ji
Gulabi aankho ko zara sa modo ji
Na chhedo chhodo ji

Na baiya marodo ji
Gulabi aankho ko zara sa modo ji
Khatam ladayi pyar shuru
Ab baki rat hai thodi
Achha to phir hone do do do, do ek sath
Manju sanju ki jodi
Pehle ladki hogi phir ladka hoga
O pehle ladka hoga phir ladki hogi
Pehle ladki, pehle ladka
Pehle ladki, pehle ladka
