

Hey baba re baba
Hey baba re baba ye kya ho gaya
Aankhe hai jagi tan so gaya
Jab aa gaya nasha
To hosh kho gaya
Jab aa gaya nasha
To hosh kho gaya
Hey baba re baba,
Baba re baba ye kya ho gaya
Aankhe hai jagi tan so gaya
Jab aa gaya nasha
To hosh kho gaya
Jab aa gaya nasha
To hosh kho gaya
Hey baba re baba

Ye duniya bahki hain
Ya hum hain bahke
Khushboo sunayi de aao aaj mahke
Pedo pe machali bsera kare
Pani mein chidiyo ki dhum
Sadke lachakti hai
Care pighalti hai
Aise mein paidal hi ghum
He baba re baba baba re
Baba ye kya ho gaya
Aankhe hain jagi tan so gaya
Jab aa gaya nasha
To hosh kho gaya
Jab aa gaya nasha
To hosh kho gaya

Re baba re baba

Building se lipti hai sadiya
Ghodo ke aage hai gadiya
Building se lipti hai sadiya
Ghodo ke aage hai gadiya
Raste khud chal pade
Dekha kiye hum tum khade

Baba re baba baba re
Baba ye kya ho gaya
Aankhe hai jagi tan so gaya
Jab aa gaya nasha
To hosh kho gaya
Jab aa gaya nasha
To hosh kho gaya
Re baba re baba

Kagaj ke ghar aur pathar ke kapde
Sone ke hathi hain chiti ne pakde
Shishe ke galiyo mein ugne lage
Khambo pe joohi ke phool
Ek billi roti hain tab rat hoti hain
Tu aisi bate na bhul
Baba re baba baba re
Baba ye kya ho gaya
Aankhe hain jagi tan so gaya
Jab aa gaya nasha
To hosh kho gaya
Jab aa gaya nasha
To hosh kho gaya
Re baba re baba.
