

Jai yashodanandan he mohan sham  
He jai yashodanandan he mohan sham  
He jai yashodanandan  
Meri laj rakho prabhu mai teri saran  
He jai yashodanandan  
Mujhe aag lage ye jivan jaise tumara naam  
Jai yashodanandan he mohan sham  
He jai yashodanandan

Yada yada hi dharmasya  
Glanir bhavathi bharatha  
Abhyudhanama adharmasya  
Dhatatmanam srijamyahan  
Jab jab dharm duba tum daude aye  
Jai yashodanandan  
Sagar mai naiya meri lo dubi jaye  
He jai yashodanandan he mohan sham  
Jai yashodanandan

Karmenew adhikarshte  
Ma faleshu kadachan  
Ma karam fal hetu bhur ma  
Ke sang wastaw karamne
