Mehfil deewano ki rang jame tagda
Lad gayi akhiya ho gaya lafda
Mehfil dar ne diya ek dhakka
Isko hi kehte hai aankh matakka
Attack attack attack
Attack attack attack attack attack
Attack attack attack
Attack attack attack attack attack

Roj yaad karta hu pehle pehle kis ko
Aap kabhi milte ho keh diya khisko
Haye haye karta hai dekhta hu jisko
Dil ka hu doctor dauhra pada kis ko
Deewano ki mehfil rang jame tagda
Lad gayi akhiya ho gaya lafda
Jidd pe jo ad gaya pad gaya lafda
Ishw mein khana pada haath bada tagda
Attack attack attack attack attack

Attack attack attack attack attack
Tu tu tu tu ru ru
Attack attack attack attack attack
Tu tu tu tu ru ru

Haye dildar ne diya ek dhakka
Bol ko uchhal kar marta hai chhakka
Nain ko churata hai chor bada pakka
Isko hi kehte hai aankh matakka
Attack attack attack attack attack
Attack attack attack attack attack

Jaldi laao usko dil diya jisko
Ab tak bhula nahi pyari pyari miss ko

Roj yaad karta hu pehle pehle kis ko
Aur koi mangta hai kehti hu khisko
Attack attack attack attack attack
Tera mera dance hai tera mera rasta
Tut gayi kamar meri haath hua halka
Ulta sidha nachti hai kehti hai disco
Dance mein romance kare chumti hai usko
Haye haye karta hai dekhta hu jisko
Dil ka hu doctor dauhra pada kis ko
Attack attack attack attack attack
Attack attack attack attack attack attack
Attack attack attack attack attack.
