

Girl i'm heart broken!
Tuvi dilADI sadi jaan
Te kara tainu pyar,

Tu kiti bewafai
Kara kive aitbaar.

Kine tere yaar
Pyar hove ik vaar
Tere dil da pujari
Jaane sara sansar.

Like!
Dil tod todan waliye ni loop.
Girl i'm heart broken.

Tera vi dil tutna
Dil todan waleya ve.

Tere karke raatan nu
Asi taare gin de aan
Tu laaye jo unglan utte
Laare gin de aan

Girl i'm heart broken
Do you wanna know me baby na na..

As you will never appreciate me
Girl i'm heart broken
And girl i know i am not confessing na na.

Girl i'm heart broken
One day you will learn your lesson
Girl i'm heart broken
One day you will learn your lesson

Yeah! Yeah!
Speaking of that night,
Talkin' up on the telephone,
And when i am working at the night,
Girl you are never home.

I'm reminiscing all the things,
You did while i'm gone,
I think you know that means,
I miss you girl but you did me wrong.

I am wondering on us two,
Think my love was really true,
And know the things you did,
I wish were really true,
And when i see i picked a girl,
I wish it wasn't you,
No matter what dancing,
Girl i've been missing you.

tera vi dil tutna
Dil todan waliye ni
tera vi dil tutna
Dil todan waliye ni
tera vi dil tutna
Dil todan waliye ni
tera vi dil tutna
Dil todan waliye ni

Pyar bada hi karda
