

Heel Song Lyrics

Thakk thakk heel kare
Yaar tera feel kare
Lagda ae beat banu
Chakvak geet banu

Nachna pau tainu
Jachna pau tainu
Thoda thoda mere kolo
Bachna pau

Boom boom geet ch jaroor rakhunga
Tere face ton idea mil geya bass da
Paddle release karda main race da
Dekhde aa banda ki es case da

Dass de club kihde naal jayengi
Je main time mageya tan taal jayengi
Jayengi jayengi ni tu jayengi jaroor
Koi bhaaga wala hath lakk te rakhayengi

Tu bombay de cluban vich aa ni sakdi
Mere vi dubai vich fan ne bade
Vancouver ch vaise panga khaas ni
Tere khufiya reporter ki rehnde ne khade

Jaanda greece di flight phadiye
Jaan gall udne da darr chhad de
Haan kar naa kar teri marzi ae
Par teriyan gallan chon par par kadh de

Keho jeijan photoan tu paundi rehni ae
Kinnek break patraudi rehni ae
Badi ae chalaak marvake chhadengi
Kinnek talaak karwaake chhadengi

Chhadengi chhadengi mainu chhadengi jaroor
Par lagdae halaak karvake chhadengi
Kon kihnu pyaar kardae
Hun har koi vappaar kardae

Saareyan nu badle ch kuch tan chahidae
Nai tan kaun aitbaar kardae

Tu dass maithon ki bhaaldi
Main dekhi ni koi tere naal di
Tu kujh tan dimag vich socheya hi hona
Nai tan aivein kahnu time daaldi

Tu kehde sachhe pyaar diyan gallan kardi
Sachhe pyaar wale sab chhad jande ne
Kayi chhad jande majbooriyan ginaake
Kayi chhura pith vich gadd jande ne

Darr marne se lagta hai
Par kuch nai rakha zamane mein
Main bas tujhse itna chahu
Zehar mila de khaane mein

Mere mooh lagengi mashoor hojengi
Hoke mashoor magroor ho jayengi
Jadon magroori tere sir chadh boli
Hauli hauli mere ton tu door ho jayengi

Tainu mere baare ikk gall ni pata
Zindagi chon jaan di main keemat dinnae
Dinda ni bhikhaariyan nu bheekh kade vi
Mainu dhokha den waleyan nu himmat dinnae

Khair meri gall chhad apni suna
Kinni validity tere pyaar di
Mat maaran ton pehla
Chhura maaran ton pehla
Thumke tu kinne kivein maardi

Thumke vi maardi ae
Zulfan sawaardi ae
Mattha mera chummdi ae
Nazran utaardi ae

Nazran hatava kivein
Tattoo wale thai ton

Baala da style
Banwaya kehde naai ton

Hatthan vich bangle
Glass de rangeen
Photoan ch dekheya tu
Sheeshe di shaukeen

Delhi ch na jaayi
Pollution vadhayengi
Bharatlyrics.com
Fan meriye ni tu
Ban ho jayengi

Kaka confuse hoye
Agge kivein deal kare
Kinnik lakoye gall
Kinnik reveal kare
Thakk thakk heal kare
Yaar tera feel kare
