---

Jogiyā de kannā vich kachh diyan mundran  
Jogiyā de kannā vich kachh diyan mundran  
Mundran nishaniyan fakeer diyan  
Palle paa gaiyan fakeeri ankhan heer diyan

Sanu de gayian fakeeri ankhan heer diyan  
Sanu de gayian fakeeri ankhan heer diyan  
Sanu de gayian fakeeri ankhan heer diyan

Jado hasdi tu phoolan nu tareli aamb di  
Teri vekh ke rawani maut sehemb jaambdi  
Teri vekh ke rawani maut sehemb jaambdi

Kala kajla dang chalave  
Mettho roop naa jhalleya jaave  
Kala kajla dang chalave  
Mettho roop naa jhalleya jaave

Karaan siftaan ki teri tasveer diyan

Palle paa gaiyan fakeeri ankhan heer diyan  
Sanu de gayian fakeeri ankhan heer diyan

Teri deed de dheyaye mere do nain ni  
Bass teinu takka jaavan meinu eho kehn ni  
Tu mile je neyazan vadda peer diyan  
Palle paa gaiyan fakeeri ankhan heer diyan  
Sanu de gayian fakeeri ankhan heer diyan

Tere naina di sharab cho main jaam bhar laa  
Bhawien vekh naa sabar ni main ghutt bhar laa  
Bhawien vekh naa sabar ni main ghutt bhar laa

Ni tu ghunt ch neher lakoley  
Ho gaye chann ballan de olle  
Ghunt ch neher lakoley  
Ho gaye chann ballan de olle

Ankhan neeliyan haye dilaan nu cheer diyaan

Palle paa gaiyan fakeeri ankhan heer diyan  
Sanu de gayian fakeeri ankhan heer diyan
