

Hello Song Lyrics

Hello ekkadunna hello
Emayyav hello
Vintunnava ee velalo
Hello itu raava hello
Hello marichava hello
Gadipesthunna nee dhyasalo

Hello ekkadekkadunnavu
Hello em chesthunnavu
Kanabadava, vinapadava
Entha kaalamaina nannu cherava

Girl I say hello hello
I feel the love
And it makes me glow
Girl you are my love for sure
I hear you calling me hello hello

Nuvventha dhooramunna
Ye chota dhaagi unna
Nee jaada thelusukona
Nee chentha cherukona

Ye naadu veediponi
Nee thodu needa nenai
Nee vente nadichi raana
