

Khamoshiyon ke pehre hain
Pal khauf ke thehre hain
Jeena hai kisko marna hai
Sehme hue se chehre hain
Iss bebasi ke manzar mein
Attke hue savere hai
Everybody's crying,
Everybody screaming for help, help

Hassna hai kisko rona hai
Paana hai kisko khona hai
Ab yeh toh rab hi jaane bas
Kya saath kisko hona hai
Aahat hai kisko aane ki
Anjaam se andhere hai
Everybody's crying,
Everybody screaming for help, help

Jaane kya jaane kya jaane
Kya jaane kya hone wala
Jaane kya jaane kya
Jaane kya jaane kya jaane
Kya jaane kya hone wala
Jaane kya, jaane kya

BHARAT
lyrics

Chingari koi uthti hai
Ik shola koi bhadka hai
Gumraah sa yeh aalam hai
Dil lamha lamha dhadka hai
Jo de kabhi nikalte hai
Hum bekhudi mein chalte hai
Everybody's crying,
Everybody screaming for help, help

Hasna hai kisko rona hai
Paana hai kisko khona hai
Ab yeh toh rab hi jaane bas
Kya saath kisko hona hai
Aahat hai kisko aane ki
Anjaam se andhere hai

Everybody's crying,
Everybody screaming for help, help
Everybody's crying,
Everybody screaming for help

Jaane kya jaane kya jaane
Kya jaane kya hone wala
Jaane kya jaane kya
Jaane kya jaane kya jaane
Kya jaane kya hone wala
Jaane kya

There's something
Out there in the shadows
Somebody help me
There's something
Out there in the dark
Jaane kya jaane kya jaane
Kya jaane kya hone wala
Jaane kya jaane kya
Jaane kya jaane kya jaane
Kya jaane kya hone wala
