

Hey Kaalave Song Lyrics

Here i am to find a way
Its all so far away
Wanna show my conscience
That everythings ok

Hey thirugo kaalave maayajalave
Dhigilannu hechisuthiro brahmaandave
Oh uriyo sooryane hasira seremane
Dhikillada ee payana nyaayave

Dhada muttada aleyanthide nanna sthiti

Cruising around the truth
I donot have a clue
How do we escape from
This crazy mystery blues

Jaada jadeyanu thiruchi kattisi
Jaana manadhali jagala huttisi
Beeruttha bhrameyanu muktaaya maaruttha
Yerutha beegutha vidhiyanne thiviyutha

Helu kartha yaavudu swaartha
Nakku odheva maargavu vyartha
Helu hoodi kaayakalpa
Kenakabeda naanu alpa

Thaligala hadeyutha kudigala odheyutha
Badhukina suliyali thiruvane thiruvutha
Arivella haridhoo haridhoo
Kallina saravaaguttha
Huccheddu jiddee manasu
Jigidheethu attha ittha kaalave

Answers unraveling
I think were closing in
First time in a long time
The time is baffling.
