

Hey Navile Lyrics

Hey navile
Nanna navile
Neenendhigu nannavale

Hey navile
Nanna navile
Nee maayadha preethi male

Hego eno ella saleesagine koodi banthu
Neenu aadi nodu mutthalle ondhu maathu
Andhu ninna nodi edhe saddhella joraagitthu
Punaha punaha kelu koothu

Hridhayavanu nee alankaristu
Bekilla bere nepave
Mungurulanu nee saripadistu
Kolluvudhu nanna adhuve

Sari thappu gala, naduve preethiyalli
Naav maadidhella, shuddha amalu
Ninna hesarannu naa helaballe koogi
Thaa muttuvanthe nera mugilu

Vichaara nindhe ella, vivaadha enu illa
NinnantHa hudugi sikre, endendhu preethi kaala
Adheno matthe matthe ninnnanne noduvaaga
Innashtu preethi aagi mugiyadha cinimavu nadedidhe

Hridhayavanu nee alankaristu
Bekilla bere nepave
Mungurulanu nee saripadistu
Kolluvudhu nanna adhuve

Khaali pusthakadhalli akshara neenaadhe
Ninthiddha katheyanna hosadhaagi bare dhe
Hridhayakke uthsavadha habbavanne thandhe
Naa ninthe preethigendhu dhevathe mundhe

Hridhayavanu nee alankaristu
