

He saajaniya, o saajaniya,
 Tere bin jeeya kya jeeya
 He saajaniya, o saajaniya,
 Tere bin jeeya kya jeeya
 Mandir deep se jalta jaau kya me karu piya
 Tanhai hai ruswai hai aalam ye kya kiya
 Mandir deep se jalta jaau kya me karu piya
 Tanhai hai ruswai hai aalam ye kya kiya
 Reshami yaado se surmai khwabo se,
 Maine chhalni jigar siya
 He saajaniya, tere bina jeeya kya jeeya

Ho pehar pehar aur saanj savere
 Meri raahe takhati thi
 Chahat ke rango me dubkar
 Mera har khat rakhati thi
 O saajaniya, o saajaniya
 Ho pehar pehar aur saanj savere
 Meri raahe takhati thi
 Chahat ke rango me dubkar
 Mera har khat rakhati thi
 O saajaniya, o saajaniya
 Palko ki chadar pe
 Mere naam ke sapne bunti thi

 Apni sine me tu mere
 Vida ki aahat sunti thi
 O saajaniya, manjar
 Wo kaha kho gaya
 Kaha kho gaya

Banjar ho gayi sanse meri,
 Dhundhali si har abhilasha
 Prem jaag vishwas wafa ki
 Ye kaisi hai paribhasha
 O saajaniya, o saajaniya
 Jaane kyun kismat harjai
 Aise mujhko lut gayi
 Jaane kaha pe kis mausam me
 Saajaniya tu chhut gayi

Jaa saajaniya, har bandhan
Tut gaya, tut gaya.
