

Hey Thikamaka Modale Song Lyrics

Hey thikamaka modhale
Yadha sodha vinadhe
Anukundhe thaduvaa
Thega nacchi nacchi picche patti

Hey teliyaka thagile
Tholakari chinuke
Mohamaatam vodilo
Saradaga jaari vaanai maare

Hey etu ponundho
Daggaraga unna dooraale
Chali gaalullo pathangullaga thoole

Adagaalanna chithadi choopullo
Yemundoo pedhavanchullo
Rahasyamlona thalamunakalive

Aa thega thadabaduthu
Porabaduthu nilabadithe ela
Arakora chanuve
Vaddhodhani adakka niliche

Haa padhuguri yedure
Thwara thwara yegabadithe ela
Thanuvunu thadithe
Gapchup ani manassu nalige

Nakki nakki dhaakkuttunte
Lo lo andhaale
Vethikinadi visirinadi
Choopu kougilai

Thatti thatti thaakindhemo preme vaanalle
Minne mannai mana iddharila maraye

Ye kshanamaina thanaloni premantha
Okkinthaina thirigosthundo
Ye vivaram nacchi

Mecchi ubbi tabbibiyo
Yedha kadalilo alaluga yegasena

Haa padhuguri yedure
Thwara thwara yegabadithe ela
Thanuvunu thadithe
Gapchup ani manassu nalige

Nacchi nacchi pai pai vaale
Preme choopinche
Maguvanala chulakanaga
Chooda raadhuga

Vacchi vacchi vaalindemo
Seetha kokalle kanne kalle
Naa yadha gutte laagaye

Hey egasindha lolona aaratam
Kaasepaina dache paniledha
Naa kalalo kuda nuvve vacchi
Picche pattinche
Em erugaka yeduruga nilavaala

Haa padhuguri yedure
Thwara thwara yegabadithe ela
