

Hey walla hey walla

Wake up to the call to the  
Sounds around me saying  
Live your dreams  
Your destiny away  
Bharatlyrics.com  
Hear the rhythm  
Then near inside me  
Are you ready  
Live on love  
See the color shine  
In from your heart  
Are you ready  
Live on love

Hey walla  
Hey walla

Wake up to the  
Dazzling stars  
Above me  
Sing, spread your wings  
And fly to the sky  
Hear the rhythm  
Then near inside me  
Are you ready  
Live on love  
See the color shine  
In from your heart  
Are you ready  
Live on love

Hey walla hey walla  
Hey walla hey walla  
Hey walla hey walla  
Hey walla

Rise up high to the sky  
Leave your hey walla  
Fly to the sky
