

Dhwaan uthha hai kahin aag jal rahi hogi
Dhwaan uthha hai kahin aag jal rahi hogi
Aseer roshni baahar nikal rahi hogi
Dhwaan uthha hai kahin aag jal rahi hogi

Ye chaaro aur se aate huwe kayin basti
Jab ek doosre ke jism aake chhute hain
Koyi toh haath mila kar nikal hoga
Kisi ke mod pe manzil badal gayi hogi
Dhwaan uthha hai kahin aag jal rahi hogi
Aseer roshni baahar nikal rahi hogi

Harek roz naya aasmaan khulta hai

Khabar nahin hai ke kal din ka rang kya hoga
Palak se paani gira hai toh usko girne do
Koyi puraani tamanna pighal rahi hogi
Dhwaan uthha hai kahin aag jal rahi hogi
Aseer roshni baahar nikal rahi hogi.
