Paave kyun bujhaarta
Paave tu kahaata na dilwaali baat karein
Kade saade naal tu
Changgiyaan na teriyaan
Gallaan karein jediyaan sune na tu meriyaan
Keeta buraa haal

Tang karda ae di adhi adhi raat naa
Sune meri baataan dil ka thaavein khardai na

Roohch vasiy aa mere tu soniye
Dil ch vasiyaa mere tu
Milda na chain na hi milda sukoon
Jiddan na vekhaan tera moonh

Hatthaan che jaam ne aa baith
Saamne dil se ye dil takki baatein kare
Bin tere raatein ro ro ke kattiyaan
Aankhein kahe mulaakaatein karein

Chehran ton chete betaap na chardi sharaab

Nasha koi sir phardai na

Yaa ta saanu rone de de ya saanu seene laale
Kujh pal layi saadi sun lai kujh pal layi kol bitha
Laavan gall di gaani main rehna naal
Naam tera hi lainaan main subah-shaam
Te bane saadi hoju zindagi kamaal
Dil saade nu vi milju aram

Hoida uthiya kitaaban chon te aa lainda
Ae tera naam hoor kujh parda ina
