

# Hide It Lyrics

---

Chupava kiven baby i can't hide it  
Ho dil mera kithe i can't find it  
Tu meri steal kar li attention  
Vekhan hassa mud mud ke rewind it

Dheere dheere dil hogaya deewana  
Na asaan tujhko bhulaana  
Baitha tanha wo fooke malana  
Jedi pyaaran wali wave karan ride it

Chupava kiven baby i can't hide it  
Ho dil mera kithe i can't find it  
Tu meri steal kar li attention  
Vekhan hassa mud mud ke rewind it

Dhadkana de vich tezi  
Gabru nu kareya tu crazy  
Main hunda influence tere pyar te  
I just wanna find out may be

Mehnge nakhre ah mangde ne rai some  
Tu ture kadon khadi jadon phantom  
Main jind tere naam likhwati
