Hey paththikichu un thodai pidikka kaigal verkirathe  
Pichchu pichchu udathugal kadikka kannam sivakkirathe  
Kichchu kichchu kan imai enai thoda kadhal malargirathe  
Sikkikichu koonthalaizhukka unarvugal nanaigirathe

Un viralgal varainthu vilaiyaduthu  
Teaser podhum baby  
Katti pidikka chewing gum pola ottikithu  
Main picture paapomadi hey

Haiyo paththikichu Light on the candle  
Show me honey  
Haiyo paththikichu paththikichu  
Thanni dhaagama penne

Puyalai pole en ullamthai sutthi vantha  
Muyalai pole thullatha manamum thulla  
My dear rani un kaluthoram naan swasikka

Pichchu pichchu udathugal kadikka kannam sivakkirathe  
Kichchu kichchu kan imai enai thoda kadhal malargirathe  
Sikkikichu koonthalaizhukka unarvugal nanaigirathe

Haiyo paththikichu
