

Its got me drinking
High in my body yea
Im drinking not every
Shot in this party yea
Ab kya suroor chaa
Raha mujhpe iss kadar
Im so not much up
My head is heavier

Naughty naughty naa
Naa naa naa
Jaane hoga kya

Padh gayi main
Poori sun ho gayi tun
Pee gayi neat main
Bandh kar angrezi dhun
Naache sun desi beat mein

Raat jaise yeh badh rahi hai
Mujhpe behoshi chadh rahi hai
Saaf kuch naa de dikhaayi
Aankhein dhundhli si padh rahi hai
Poori masti mein jhoom loongi
Kone kone mein ghoom loongi
Koi mujhko rok le naa
Warna tujhko main choom loongi

Padh gayi main
Poori sun ho gayi tun
Pee gayi neat main
Bandh kar angrezi dhun
Naache sun desi beat mein

Walkin walkin walkin
Dont you love the way
She walkin dropin dropin
Bharatlyrics.com
Walkin walkin juicy
Everybody here is lovin it
When you got dropin

Everybody fantasize heavenly

Dont stop this party ho
Dont want this party ho
Im burn this party ho
Cupid on the dance floor ho
Dont stop this party ho
Then i want this party ho
Im burn this party
Tell me do you want
More more more

Khaali pyaalo ko
Phir bharu main
Sochti hoon ki
Kya karoon main
Aankh lai main
Sardiyaan toh
Phir zamaane se
Kyun darru main
Iss taraf ya
Udhar main jaaun
Main naa jaanu
Kidar main jaaun
Tum hi aage bolo kaise
Aise haalat main ghar jaaun
Na re na re naa
Aage hoga kya

Padh gayi main poori sun
Ho gayi tun pee gayi neat main
Bandh kar angrezi dhun
Naache sun desi beat mein.
