

Ek do teen char to
Gyarah
Gyarah honge saare
Tere mere jivan ke nanhe nanhe taare
Honge pyaare pyaare
Ek do teen char na na
Gyarah
Gyarah honge saare
Tere mere jivan ke nanhe nanhe taare
Honge pyaare pyaare

Koi hoga bilkul meri surat ka
Wo to hoga phoolo kisi rangat ka
Haa surat hogi kisi bhole bhaale ki
Ho chhoti si ek chabi bansi waale ki
Haste hue rote hue kaale gore jaise bhi honge
Honge pyaare pyaare
Ek do teen char na na
Gyarah
Gyarah honge saare
Tere mere jivan ke nanhe nanhe taare
Honge pyaare pyaare

Abhi se wo dole mere sine mein
Ye na hoto rakha kya hai jivan mein
Ho inhiki to hasi hai armaanao mein
Inhi se to milan hai insaano mein
Ho inka dil sabko mile are
Phir to badal jaaye roop jaga ka hamare
Ek do teen char na na
Gyarah
Gyarah honge saare
Tere mere jivan ke nanhe nanhe taare
Honge pyaare pyaare

Yun hi kiran kiran hoga ujala
Saari gali aangan hoga ujala
Jalsa hoga hasi bhare geeto ka
Mela hoga nanhe munne mito ka, achha
Chum ise chum use ho jaaunga main to deewana

Mamta ke maare
