

Ho sardi zukaam ka hain ek hi ilaj
Aajma ke dekhiye pehli bar aaj
Sardi zukaam ka hain ek hi ilaj
Aajma ke dekhiye pehli bar aaj
Hotho pe maliye galo pe lagaiye
Hotho pe maliye galo pe lagaiye
Garam garam pyar kya sharam
Mere sanam tera mera khuda kasam
Hoga beda paar

Ho sardi zukaam ka hain ek hi ilaj
Aajma ke dekhiye pehli bar aaj
Hotho pe maliye galo pe lagaiye
Hotho pe maliye galo pe lagaiye
Garam garam pyar kya sharam mere
Sanam tera mera khuda kasam
Hoga beda paar

Are pehli khurakh mein bhagegi sardi
Duje mein kam hogi chhinke bedardi
Ho pehli khurakh mein bhagegi sardi
Duje mein kam hogi chhinke bedardi
Mano na mano tumhari marzi
Ho mano na mano tumhari marzi
Meri dawa se jaldi hi tumko
Meir dawa se jaldi hi tumko
Aayega karar kya sharam mere sanam
Tera mera khuda kasam
Are hoga beda paar

Han neendiya na aayegi sari sari raat
Dil pe rahega sada gora gora hath
Ho neendiya na aayegi sari sari
Raat dil pe rahega sada gora
Gora hath aayegi yaad tumhe meri
Mulakat ho aayegi yaad tumhe meri
Mulakat chhikogi pal pal
Ankhe bahngi chhikogi pal pal
Ankhe bahngi aayega bukhar
Kya sharam mere

Sanam tera mera khuda kasam
Hoga beda paar

Meri bimari hain sardi se aage
Gore badan mein hain tufan jage
Meri bimari hain sardi se aage
Gore badan mein hain tufan jage
Lagta hain mujhko tere rog laage
Lagta hain mujhko tere rog laage
Mil mil ke tujhse dildar main bhi
Mil mil ke tujhse dildar main bhi

Ho gai bimar haye kya sharam
Mere sanam tera mera
Khuda kasam hoga beda paar

Ho sardi zukaam ka hain ek hi ilaj
Aajma ke dekhiye pehli bar aaj
Hotho pe maliye galo pe lagaiye
Hotho pe maliye galo pe lagaiye
Garam garam pyar kya sharam
Mere sanam tera mera khuda kasam
