

Homicide Lyrics

Chaaro taraf jaal bichaaya gaya
Har kadam pe mujhe girane ki sazish hui
Shaitan ki bhook badi hai
Woh har rooh ko nigalna chahta hai

Par woh bhul gaye
Jiske sar par ishwar ka haath ho
Usse duniya ki koi takat nahi rok sakti

Mujhe banna tha bohat bada banna tha
Bhukh ke liye paani aur haath mein jab panna tha
Raat mein tha power aur din mein tha sannata
Main gaya english mein bada bhai kannada

Bolta nahi kaun saala bade dost don dada
Todte they khidki phir poochte they kaun maara
Lage they hum bars mein mila tab rebound maara
Janwar they concrete pe zindagi thi vantara
Step dekhke chadte they kabhi nahi jump maara
Main aur tu same baarish mein main monk maara
Mila kitna dokha ginti nahi bohat saara

Bhai pe koi haath dala fuck it phir main court jaara
Gully ho ya highway mumbai se main khod dala
Gaya tha main comments mein kisine toh bot dala
Bagal mein mobs daala har shabd mein cost dala
Bhaiyon mein thoughts dala bana kaise boss saala
Sign of the cross maara divine nahi ghar wala

Kya ladki kya vaada
Shaadi nahi kar pa raha
Khaali bill bhar pa raha
Khaali chill kar pa raha
Saala saala
Aye

Divine nahi ghar wala
Kya ladki kya vaada

Shaadi nahi kar pa raha
Khaali bill bhar pa raha
Khaali chill kar pa raha
Saala saala
Kya vaada aye

Naya din naya main
Nani pe gaya main
Dost badle daya main
