

Honth hain tere do laal heere  
Inhe kholna tu dhire dhire o dilbar janiya  
Rup tera koi na churale  
Jhum rahe hai chahne wale  
Naram malayi teri jaan hai  
Haye bachna jamana beiman hai

Haye naino mein tere preet ki jyoti  
Seep ke andar jaise moti mere haniya  
Rup mera baho mein chhupale  
Aaj mujhe tu ang lagale  
Phulo se najuk meri jan hai  
Haye sajna zamana beiman hai

Aaj pawan aise lahraye  
Tan mera hichkole khaye  
Tera ishara jo mil jaye  
Jan bhi de dalu main haye  
O ho baho mein aaja dil mein shama ja  
Baho mein aaja dil mein shama ja  
Kaise kategi tujh bin  
Raat raat armano wali  
Hotho pe tere kaliya khiladu  
Apne lahu ki lali saja du  
O dilbar janiya

Rup tera koi na churale  
Jhum rahe hai chahne wale  
Naram malayi teri jan hai  
Haye bachna jamana beiman hai  
Haye naino me tere preet ki jyoti  
Seep ke andar jaise moti mere haniya  
Rup mera baho mein chupale  
Aaj mujhe tu ang lagale  
Phulo se najuk meri jan hai  
Haye sajna zamana beiman hai

Haye hoye hoye haye  
Julfo ke rangin andhere  
Hai meri raato ke sawere

Aaye hai dildar sapere  
Jadu karne pyar pe tere o ho  
O mere ranjha dil tune bandha  
O mere ranjha dil tune bandha  
Kaise chutega saath saath hai  
Bharatlyrics.com  
Jivan bhar ka, oye balle balle baliye  
Heere hai tere sath sawariya  
Neele gagan mein jaise  
Badariya mere haniya  
Rup mera baho me chupale  
Aaj mujhe tu ang lagale  
Phulo se najuk meri jaan hai  
Haye sajna zamana beiman hai

Haye reshmi doriye ganne di poriye  
Nawiye nakori ye  
Pyaar di kasam o dilbar janiya  
Chhad ke na jayi pyar nibhayi  
Morni ban ban pahla payi  
Ki dasa ki mere dil da hal hai  
Haye heera tera aashik bemisal hai.
