

Haan haan haahah aa haan aahha haa han haan haan haan
Haan haan haahah aa haan aahha haa han haan haan haan
Haan haan haahah aa haan aahha haa han haan haan haan

Hooo hone lagi
Behaya si raatein
Hoo hone lagi
Khulke dil baatein
Dhua nahi hai aag lekin
Aise lagi hai ki woh sare jahan ko haule se jalade

Hooo hone lagi
Behaya si raatein
Hoo hone lagi
Khulke dil baatein

Haan haan haahah aa haan aahha haa han haan haan haan

Kabu nahi mera mujhpe
Dekho dekho
Roko zara mujhe roko
Ho sake to

Aaab aaj na jane dil
Meri aaj na maane dil

Teri baatein na maane dil
To mein kuan hota hoon isko maane

Hooo hone lagi
Behaya si raatein
Hoo hone lagi
Khulke dil baatein

Haan haan haahah aa haan aahha haa han haan haan haan

Tham si gai meri dhadkan
Meri saaasein
Teri liye bani aahein
Meri saaasein
In hoothon ka hai kehna

Tere lab pe bas rehena

Hmm tere hoothono ne zid kar le
To mein kaun hota hoon karne bahaein

Hoo hone lagi
Behaya si raatein
Hoo hone lagi
Khulke dil baatein
Dhua nahi hai aag lekin
