Mounadalu maathide
Male hani chita pata
Mugila sneha naada
Manasanu besevuya
Maleye ondu veda..

Koneya januma siguva punya
Olida sneha naane dhanya!

Neen aado maathella
Male anthe jinugi..
Madhuvage manadalli haniyanthe minugi..
Nannella kshanagalige neeninnu geleya
Konevaregu kaayuvunu ninagaage hrudaya
Suriyee.. Nee male
Manada thereya sariye..
Dhumuki nee jariye
Kolala naada mareye..
Baredantha padagalali
Nina khushiye modalu..
Madhuvantaha ee snehake
Sa ri ga ma gale thodaru..

Hoo malege.. Manasu maagide
Ee dhareya cheluvu meeride
Ee sneha sihi ide
Mounadalu maathide.
