

Hosadondu Preethiyana Lyrics

Hosadondu preethiyana enendaru chenna
Dinavella maduthini
Na ninnade dhyana thusu mouua mathiginna
Husi kopavu chennac niiavagi heluthini
Ivalappata chinna

Hey inndamunde ella neene
Anno aase bandayutu
Preethi oora roadinalli
Lifeuu rangaytu

Enendaru surprisara Sara
Moon lightalli modida mondara
Ee heartanne therediduve poora
Heegene preethisu manasara

Aa dreamalli baruva
Neautye ninna mecchuta baruvaaga
Aa smilealli baruva
Rainbow naguva mellane tharuvaga

Sundara thaare ninnay moree
Hosadondu preethiyana enendaru chenna
Dinavella maduthini

Andava mooru hottu salalla
Mounadi heluve nadedu hogona
Pryasi nahhare ella koodi bandante
Nagisuva kelasuvu nanage sahanthe

Kalpane meerida kaala koodi bandaga
Sundara soiiga nanage siguvantadaga
Tara tara kunisuva

Bidade balasuva samadhura saviganase
Mira mira minuguva
Sarrane seleyuva kangala kanavarike
Hosadondu preethiyana enendaru chenna
Dinavella maduthini

Kannina hasiya premiyagi kalithena
Preethiya mathali ella kavithena
Ninnane noduta baalu poora kalibehu
Hogaleuva samayahe mugulnnage sahu

Elligadodaru ninna mogave kammunde
Indigu mundigu iruve benninde
Hare bhare kanasali ninnane japisuva
Kshanagalu athi sogase

Nasu nasu sanjege tholali balasalu
