---

Watch a mela watch a vuttu  
Soja mela soja kaatti  
Andhara than iruppom naanga king-u da  
Engallukku ullasathukku vilasame ithan da

Amukku dumukku amaal dumaal  
Athiri puthiri ajaal kujaal  
Kottanguchi pola room size u da  
Engalukku eppovume ore thattula rice u da

Ullaya vaazhnthiduvom  
Kallaya kalakkiduvom  
Maajava irundhiduvom engalukkulla

Jolly-ku veli illai  
Poliya nadichadhillai  
Dabaikkum jigidingelam thevaiye illai

Thaa na thannanaana na thaa nananana  
Thaa nanaana nananaa  
Thaa na thannanaana na thaa nananana  
Thaa nanaana nananaa

Watch a mela watch a vuttu  
Soja mela soja kaattuvom

Rathirinna iruttula  
Mezhuguvarthi light la  
Kumbala than koodikunnu  
Samathuvatha kaattuvom

One and only bottle-u  
Vittukuvom battle u  
Nenachathellam kedaikka idhu  
Natchathira hotel u

Gaana paattu inga ennaikkume panjamilla
