

Raste milon thhe par,
Safar itna zyada na tha,
Choote pehle log magar,
Waqt yun bechara na tha,

Kitni shiqayatein sawaal hain kitne,
Dhoond-dhoond jawaab ko,
Samjha lete hain hum khud ko,

Hota hai hota hai,

Naate hain kaante hain par,
Zidd mein teri apni raah baante hain...,
Sidhe se raston pe,
Tehde pal kyun aate hain..,

Jud gayi thi aadatein jo,
Aadha hissa apna ab chhaante hain,
Tukde jo phir mile,
Hisse tere unko faanse hain...,

Iski kya wajah uski thi kya wajah,
Sawaal se ghir ke thak jaate hain hum,

Hota hai hota hai,
Hota hai..
