

Meri aankhein kare love talking,
Meri chaal badi hi rocking
Meri har ek ada hai oo la la, oo la la
Koyi mujhase nain ladaaye,
Koyi mujhako chhuna chaahe
Mujhape har koi fida hai oo la la,
Oo la la la la la la...

Meri aankhein kare love talking,
Meri chaal badi hi rocking
Meri har ek ada hai oo la la, oo la la
Koyi mujhase nain ladaaye,
Koyi mujhako chhuna chaahe
Mujhape har koi fida hai
Oo la la, oo la la la la la la...

Bharatlyrics.com

You wanna feel me you wanna feel
Me you wanna feel me touch me,
Hold me now, i am hotty naughty baby in town
You wanna feel me touch me, hold me now,
I am hotty naughty baby in town
You wanna feel me touch me, hold me now,
I am hotty naughty baby in town

Mera har ek move sexy jisake sab deewaane
Main jahaan jaau wahaan sau sau bane afsaane
Mere pyaar ki baarish mein aa bheeg le thoda tu bhi
Kya bharosa aa dikha du mujhame hai kya khubi
You wanna kiss me you wanna
Kiss me you wanna kiss me touch me,
Hold me now, i am hotty naughty baby in town
You wanna kiss me touch me, hold me now,
I am hotty naughty baby in town

Soniya aa dekh le mere jalawe
Josh mein aake hosh gawaale
Pyaar kare aa jamake
Kal jo hona hai ho jaane de kar na roka toki
Ishq ki aandhi yeh yaara kab kisane hai roki
You waana give me you

Waana give me all your love
Tonight i am hotty naughty baby in town
You waana give me all your love tonight
I am hotty naughty baby in town
Meri aankhein kare love talking,
Meri chaal badi hi rocking
Meri har ek ada hai oo la la, oo la la
Koyi mujhase nain ladaaye,
Koyi mujhako chhuna chaahe
Mujhape har koi fida hai oo la la,
Oo la la la la la...
You wanna feel me you wanna feel me
You wanna feel me touch me,
Hold me now, i am hotty naughty baby in town
You wanna feel me touch me, hold me now,
I am hotty naughty baby in town
You wanna feel me touch me, hold me now,
I am hotty naughty baby in town..
