

Hoyna Hoyna Song Lyrics

Verey kottha bhoomipai unnaanaa
Edho vintha raagame vinnaanaa
Verey kottha bhoomipai unnaanaa
Edho vintha raagame vinnaanaa

Palikey paala guvvatho
Kulikey poola kommatho
Kasire vennelammatho
Sneham chesaa
Egire paalavellitho
Nadiche gaaju bommatho
Bandam mundu janmadaa
Emo bahusaa

Hoyna hoyna hoyna hoyna hoyna
Hoyna hoyna hoyna
Ika edhemaina meetho chindulu
Veyanaa veyanaa
Hoyna hoyna hoyna hoyna
Hoyna hoyna hoyna
Kalakaalam meetho kaalakshepam
Cheyanaa cheyanaa

Think i caught the feels this summer
Bae you're one of a kind no other
Be my sweetie be my sugar
Had enough as a one side lover

Bae you're one of a kind no other

Had enough as a one side lover

Naa jeevithaaniki rendo
Prayaanamundhani
Dhaari vesina chitti paadhamaa
Naa jaathakaaniki rendo
Bhaagamundhani

Chaati cheppina chinni praanama

Gundelona rendo vaipe choopi
Sambaraana munchaave nesthamaa
Naalo naake rendo roopam choopi
Dheevinchindhe meelo ponge prema

Velige vedukavvanaa
Kalise kaanukavvanaa
Pedhavulloina nimpanaa
Chirudharahaasam

Evaro raasinattugaa
Jarige naatakaaniki
Merugulu dhiddhi veyyanaa
Ika naa vesham

Hoyna hoyna hoyna hoyna hoyna
Hoyna hoyna hoyna
Ika edhemaina meetho chindulu
Veyanaa veyanaa
Hoyna hoyna hoyna hoyna
Hoyna hoyna hoyna
Kalakaalam meetho kaalakshepam
Cheyanaa cheyanaa

Verey kottha bhoomipai unnaanaa
Edho vintha raagame vinnaanaa
Verey kottha bhoomipai unnaanaa
Edho vintha raagame vinnaanaa
