Hey huduga hudugi koodi  
En aata bekaadr aadi  
Pugasatte maklu byadi story khatham

Hey thumba haaradbedi  
Onchuru yochne maadi  
Neev aagogbitre daddy story khatham

Satthu hutabeku oppattu unnalo  
Hotte hasiyutthantha haakbeka hotelu  
Thadakallak aagadhe katkondre thottilu  
Yaak huttadhe antha kelthaave makkalu

Hey huduga hudugi koodi  
En aata bekaadr aadi  
Pugasatte maklu byadi story khatham

Diaper u....  
Diaper u thandre powder u dabbi illa  
Akki byaale thandre sambhaaru pudi illa

Bhagavanthange  
Baadige mane maadi  
Bandu iralu helana

Mid night alli  
Maklu atthaagella  
Haalu kudsu annana

Hindu mundillada  
Ondu gotthillada  
Ee life u geegee pada

Thutti samsaarada bettaana hatthalu  
Ottu saayankaala hidakondvi bottle u  
Thadakalla kaagadhe katkondre thottilu  
Yaak huttadhe antha kelthaave makkalu

Kashta sukha aaa...  
Kashta sukhanella jothe kunthu kelor yaaru  
Hendthig hethaa kunthre close aagogthade baru

Gundargovi aagiddaaga bari  
Prema kaama kunasthadhe

Maduve aadre bachelor jeevanavu  
Chennagitthu anasthade

Muchgond iralaarade  
Manasu thadilaarade  
Bharatlyrics.com  
Tho mistake aagoythade

Illi maduve cardu  
Hididaaga geddalu  
Alli manadannege  
Ombhatthu thingalu

Daddy aagoku munche  
Maadbeku yochane  
Entha punter aadru  
Wife munde dummy ne.
