

Hulchul si hai aaj pawan mein
Aag lagi hai yaar badan mein
Hulchul si hai aaj pawan mein
Aag lagi hai yaar badan mein
Let me hold you hold you hold you
Let me hold you hold you hold you

Saanson mein baje
Saanson mein baje ek jhanjhan
Kitni hai tezz suno is dil ki dhadkan
Rimjhim rimjhim paani se sholey bhadke
Kitna dehka dehka hai dekho saawan
Mera tan man dol raha hai
Sine mein dil bol raha hai
Let me hold you hold you hold you
Let me hold you hold you hold you

Thapte angaaron par saawan barsa do
Jaan e jaana is dil ki aag bujha do
Aise lamhe bilkul na jaane do
Apne haathon se mera roop saja do
Mujhse door raha na jaaye
Zaalim hai yeh pyaar sataaye
Let me hold you hold you hold you
Let me hold you hold you hold you

Hulchul si hai aaj pawan mein
