

Hai apni zameen hai apna jahan
Mitti main hai milna yahan

Yeh dharti toh hai maa ki tarha
Naya josh ho sub ho jahan

Na honge kabhi tareeqian
Diye say diya jalta ho jahan

Kyun subhi woh rastain chunain
Dhundh lo nayi se manzilain
Lafzon main hain jazbay jo tere
Bol ke lab aazad hain tere
Hum aazad hain
Hum aazad hain
Hum aazad hain
Hum aazad hain

Baharon se jo mila hai saman
Kayi khawabo ki hain qurbanian
Thi jazbon main jo chhupi dastan
Woh aj jo hai rago main rawan
Woh jazba wohi himmat jawan
Lay kar chalo, chuain aasman

Kyun subhi woh rastain chunain
Dhundh lo nae se manzilain
Lafzon main hain jazbay jo tere
Bol ke lab aazad hain tere
Hum aazad hain
Hum aazad hain
Hum aazad hain
Hum aazad hain.
