Shama lovely lovely lovely
Chede koi dasta
Lovely lovely lovely
Hum aur tum aur
Ye shama lovely lovely lovely
Chede koi dasta

Tarange le rahi hai karwate
Jane kaha se aaj
Madhur si aa rahi hai ahate
Aaja ke sad hai jaha

lyrics

Rat ka rahi chand
Chala hai kis subah ki khoj me
Hum tum aaye aaj
Yaha par kis subah ki khoj me
Ulfta ka hai ye karwa
Lovely lovely lovely
Chede koi dasta
Lovely lovely lovely
Hum aur tum aur
Ye shama lovely lovely lovely
Chede koi dasta
Lovely lovely lovely.
