

Hum bhi akele tum bhi akele  
Duniya ka dar kya  
Oye hum to mohabbat karega  
Oye hum to mohabbat karega  
Roni surat tujhse  
Mohabbat ja deewane ja  
Oye tu kya mohabbat karega  
Oye tu kya mohabbat karega

Hum bhi akele tum bhi akele  
Duniya ka dar kya  
Oye hum to mohabbat karega  
Oye hum to mohabbat karega  
Roni surat tujhse  
Mohabbat ja deewane ja  
Oye tu kya mohabbat karega  
Oye tu kya mohabbat karega

Dekho ji dil na todo  
Pahla pahla pyar mera  
Pahla pahla pyar hai  
Dekho ji dil na todo  
Pahla pahla pyar mera  
Pahla pahla pyar hai  
Jao ji rashta chodo  
Dil tumse bejar mera  
Dil tumse bejar hai  
Oye hoye to fir mai kaha jau  
Jao jhenam mujhko kya  
Gham jane meri bala  
Oye tu kya mohabbat karega  
Oye tu kya mohabbat karega  
Hum bhi akele tum bhi akele  
Duniya ka dar kya  
Oye hum to mohabbat karega  
Oye tu kya mohabbat karega

Karte ho dhokha  
Hamse kitne beiman ho  
Ji kitne beiman ho

Tum to meri jan ho  
Ho tum to meri jan ho  
Isliye to tum meri jan chodo  
Duniya chhodu na chhodu  
Mai gori sath tera  
Oye tu kya mohabbat karega  
Oye hum to mohabbat karega  
Ja tu kya mohabbat karega.
