

Aye ha
Are ha re ha ha ha ha
O le lo le lo dua kisi bekarar ki
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain

Hum dukho ke pale hain
Ha magar dilwale hain
Ek nazar pe lut jaaye
Aise hum matwale hain
Apne ho ya begane
Hum to sab ke deewane
Har gale mein baaho ke
Haar humne daale hain
Ho yahi to hain jaliya o pyar ki
Aanewalo aanewalo mere
Dil ka nagar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain

Dil ka saathi hain jab dil
Kaisa rasta kya manzil
Chal pado to rasta hain
Thehar jao to manzil
Rang yeh bazaaro ka
Roop yeh dildaro ka
Jo nazara dekho hain
Chum lene ke kabil
Ho hawa khane walo
Mere gulzar ki
Kya ho thoda sa aye bhai
Kya ho thoda sa
Hume bhi agar dekh lo

BHARAT
lyrics

Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain

Hum to chahat se haare
Phirte hain maare maare
Tum raho haste baste
Saath ho chanda taare
Phir yuhi jaane jana
Kal kahi pe mil jana
Hum chale gaate nagme
Khush raho tum bhi pyare
O jao luto maze shyam hain bahar ki
Jaate o mamu
Jaate ho sake to idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain

Ho kisi rut ka badal
Geer ke phir khul jata hain
Ho andhera jaisa bhi
Aakhir ras dhal jata hain
Dil sada jisko dhunde
Mamta jisko dhunde

Kho gaya ho jo koi
Ik deen mil jata hain
Ho suno rukti nahin rut intzar ki
Hum bhi rahon mein
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Le lo le lo dua kisi bekarar ki
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain

BHARAT
lyrics

Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo
Hum bhi rahon mein khade hain
Yaar idhar dekh lo
Jaane mann pyar se ik nazar dekh lo.
