

Hum dil ki dhadkan ki lay par
Fursat se gane gate hai
Jinko hum bhul nahi sakte
Hum unko kab yaad aate hai

Main lakh bhulata hoon unko
Wo rah rah kar yaad aate hai
Ek kadam uthata hoon aage
Do piche hat hat jate hai

Ek khushi ke badle aath pahar
Aankho se ashq bahate hai
Dil tham tham kar rote hai
Ho jo ulfat ulfat gate hai
Ek taraf mohabbat roti hai
Ek taraf se nare aate hai
Jai hind juba se bol sipahi

Ab paav dole jate hai
Jaihind
Hum gate hai shikwe unke
Wo mitti ke gun gate hai
Hum tumse milne ko preetam
Mitti ko gale lagate hai.
